

THANK YOU to all of our wonderful volunteers for the Live Nativity this year!

I know it has been a different and difficult year and we are truly grateful to the many people who turned up for set-up, tree hauling, prop repair, take down, and all the various roles that are needed each night down at the park and at 1st Lutheran. You are such a blessing to this mission! We take comfort that the "Good News" that people see in our Live Nativity will spread to many hearts and lives! And may it continue to motivate us all on toward love and good deeds! Thank you again for all you have done to make this mission possible!

Stay tuned for more opportunities to help this summer on some extra prop repair projects that will be needed for the coming year. God's blessings to you all in this new year!
